JAGUAR DAIMLER HERITAGE TRUST

The information on this Heritage Certificate is taken from the original production records kept in the Jaguar Daimler Heritage Trust Archive. All the relevant information from the original production records has been included on the Certificate. Exclusions apply if original numbers of the vehicle or appropriate documentation such as the vehicle's V5, or equivalent Title document has not been provided.

Jaguar Daimler Heritage Trust regrets that we cannot add any information on a Certificate, which cannot be documented from the original production records, even if such information is supported by reliable evidence from other records not held by Jaguar Daimler Heritage Trust.

Jaguar Daimler Heritage Trust does not inspect vehicles which are being researched. While a Certificate confirms the original details of a vehicle researched from the chassis number, a Certificate is not in itself a confirmation of the identity, provenance, originality, or present condition of a particular vehicle.

This Certificate does not represent proof of ownership of a vehicle. This Certificate is intended solely as a reference and source of information for the applicant.

The name of the applicant, or another party nominated by the applicant, will appear on the Certificate. Jaguar Daimler Heritage Trust will not issue Certificates without a name, whether of a proper person or of a company.

Whilst every care is taken to ensure that we supply the correct information, neither Jaguar Daimler Heritage Trust nor any associated company will be held liable for errors or omissions or the consequences thereof.

Jaguar Daimler Heritage Trust reserve the right to refuse to issue a certificate.
