Dear Dave

Hope this finds you well, and that you had a good time at the NEC, ref the Classic Car Show. We went early on the Saturday morning and had a good day ourselves but as you will have seen, the Autojumble did not have a lot to offer for E Type's, although we did get a few small items for your Car.

Please find enclosed, List and Invoice for Parts already purchased and a Cheque for same, by return would be appreciated.

Assuring you of my best attention at all times,

Kind regards
Yours sincerely

Geoff Whitehouse
